

Get Up, Stand Up (x2)
I was going...can you see my
love, my love is flowing

Get ready, brother
Get ready, sister
I was going...to see my love
my love is flowing

Sitting in the morning sun,
waiting for the day to come,
wishing for the night to come
And that won't happen,
sitting in the burning sun,
That won't help no,
Waiting for the day to come
That won't help no, ahhh no

Fire burning in my soul,
(Burning in my soul)
Its burning out of control, hey

Fire burning in my soul,
(Burning in my soul)
Its burning out of control, hey

That won't help,
when your sitting in the
burning sun, that won't help
no,
Waiting for the day to come.

HEY HEY HEY x2 Good God!
(SOLO)

Sitting in the morning sun,
Waiting for the day to come.
That won't help
Sitting in the burning sun
That won't help
Waiting for the day come
That won't help, that won't
help.

Fire. FIRE FIRE FIRE

Fire burning in my soul
Its burning out of control
Its burning (Repeat)
