

Shining Star - Jerry Garcia Band B E /AEF# / GF#

Honey you are my shining star
Don't you go away, oh baby
I wanna be right here where you are
Till my dying day, oh baby
So many have tried, tried to find
A love like yours and mine, oh baby
Don't you realize how you hypnotize me
Make me love you more each time, oh baby

Honey, I'll never leave you lonely

Honey you are my shining star
Don't you go away, oh baby
I wanna be right here where you are
Till my dying day, oh baby
Many nights when we're lying here next to each other
Lost in love, oh baby
Honey when we touch, I love you so much
You're all I ever dreamed of, oh baby
