

Sweat by Inner Circle C Am Dm G

C Am Dm G  
Standing across the room I saw you smile  
C Am Dm G  
Said I wanna talk to you for a little while  
C Am Dm G  
But before I make my move my emotion starts running wild  
C Am Dm G  
My tongue gets tied and that no lie  
C Am Dm  
Looking in your eyes  
G C  
Looking in your big brown eyes  
Am Dm G  
Ooh girl And I've got this to say to you Yeah!  
C Am  
Girl I want to make you sweat  
Dm G  
Sweat till you cant sweat no more  
C Am  
And if you cry out
