

G  
he could have turned in...turned in..but he turned out

a bad time, nothing could save him

G  
alone in a corridor, waiting, locked out

he got up out of their way, ran for hundreds of miles  
D

G  
he made it to the ocean, had a smoke and a tea

the wind rose up, set him down on his knees  
D

G  
A wave came crashin' like a fist to the jaw

delivered him.. wings high, look at him now  
D

G  
arms wide open with the sea as he's flung

oh how...ohhhh...  
D

C9 Mute C9 C9/B G (repeat) G D  
he is flyin...ohhh....high....whyyy....ohhhh.....

G  
he floated back down cause he wanted to share

this key to the locks on the chains he saw everywhere  
D

G  
but first he was stripped, and then he was stabbed

by a faceless man, the fuckers

D  
he still stands...

G  
and he still gives his love, he just gives it away  
D  
the love he receives is the love that is saved  
G  
and sometimes is seen a strange spot in the sky...  
D

A HUMAN BEING THAT WAS GIVEN TO FLY

C9 Mute C9 C9/B G (repeat) G D  
he is flyin...ohhh....high....whyyy....ohhhh.....
