

Oh where, oh where can my baby be?
The Lord took her away from me.
She's gone to heaven so I've got to be good,
so I can see my baby when I leave this world.

We were out on a date in my daddy's car,
we hadn't driven very far.
There in road, straight ahead,
a car was stalled and the engine was dead.
I couldn't stop so I swerved to the right,
I'll never forget the sound that night.
The screamin' tires, the bustin' glass,
the painful scream that I heard last.

Oh where, oh where can my baby be?
The lord took her away from me.
She's gone to heaven so I've got to be good,
so I can see my baby when I leave this world.

When I woke up the rain was pouring down,
there were people standing all around.
Something warm was running through my eyes,
but somehow I found my baby that night.
I lifted her head, she looked at me and said:
"Hold me darling just a little while!"
I held her close, I kissed her our last kiss,
I found the love that I knew I would miss.
But now she's gone, even though I hold her tight,
I lost my love, my life, that night.

Oh where, oh where can my baby be?

The lord took her away from me.

She's gone to heaven so I've got to be good,
so I can see my baby when I leave this world.
