

Am C G
what the fuck is this world

Am C G
Running to, you didn't

Am C G
Leave a message, at least I

Am C G
Coulda' learned your voice one last time

Am C G
Daily minefield, this could

Am C G
Be my time, 'bout you?

Am C G
would you hit me?

Am C G
would you hit me?

G A Bb A G A Bb C
Oh oh oh...oh whoa whoa...ow...

Am C G
All the bills go by,

Am C G
And initiatives are taken up

Am C G Am C G Am
By the middle, there ain't gonna be any middle any more

C G Am
And the cross I'm bearing home

C G Am
Ain't indicative of my place

C G Am
Left the porch

C G

Left the porch

G A Bb A

Oh oh oh...oh..

G A Bb

Hear my name, take a good look

C G

This could be the day

A Bb

Hold my hand, walk beside me

A G A Bb C

I just need to say...

G A Bb

Hear my name, take a good look

C G

This could be the day

A Bb

Hold my hand, lie beside me

A G

I just need to say

A Bb

I could not take a-just one day

C G

I know when I would not ever touch you

A Bb A

Hold you...feel you...in my arms...never again

(G A Bb A G A Bb C)

SOLO Yeah... (12x)
