

Something about a Truck – Kip Moore

Intro: B E B F# B

Verse:

Something about a truck in a farmer's field

A no trespass sign, you got time to kill

Nobody's gonna get hurt, so what's the big deal

Something about a truck in a farmer's field

Something about beer sitting on ice

After a long hard day makes it taste just right

On that dropped tailgate on a summer night

Something about beer sitting on ice

Something about a girl in a red sundress

With an ice cold beer pressed against her lips

In that farmer's field, will make a boy a man

Something about a girl in a red sundress

B E
Something about a kiss that's gonna lead to more
 B F#
On that dropped tailgate, back behind the corn
 B E
The most natural thing, you've ever felt before
 B F# B
Something about a kiss that's gonna lead to more

Chorus

 B Ab
Something about a truck in a field and a girl in a red
 E E
sundress with an ice cold beer to her lips
 B F#
Begging for another kiss
 B Ab
Something about you and me and the birds and the bees
 E E
And Lord have mercy it's a beautiful thing
 B F# B
Ain't nothing about it luck, something about a truck

 B E
Something about a creek around 2 am
 B F#
After a few of those beers you wanna dive on in
 B E
You don't need no clothes, just hang em on a limb

Something about a creek around 2 am
