

You Don't Know How It Feels // Tom Petty // E A ..

Let me run with you tonight
I'll take you on a moonlight ride
There's someone I used to see
But she don't give a damn for me

E...B...E...A

But let me get to the point, let's roll another joint
And turn the radio loud, I'm too alone to be proud

E...D....A.

You don't know how it feels

You don't know how it feels.... to be me E...D....A.x2

E...A

People come, people go
Some grow young, some grow cold

I woke up in between

A memory and a dream

E...B...E...A

So let's get to the point, let's roll another joint

Let's head on down the road

There's somewhere I gotta go

E...D....A.

you don't know how it feels

You don't know how it feels to be me EDAX2 Riff -> Solo

My old man was born to rock

He's still tryin' to beat the clock

Think of me what you will

I got a little space to fill

E...B...E...A

So let's get to the point, let's roll another joint

Let's head on down the road

There's somewhere I gotta go

And you don't know how it feels (E...D...A)

No, you don't know how it feels to be me
