[Chorus]

If you could only see the way she loves me
Then maybe you would understand
Why I feel this way about our love
And what I must do
If you could only see how blue her eyes can be when she says
When she says she loves me
Am Em G F

Well you got your reasons
And you got your lies
And you got your manipulations
They cut me down to size

Sayin you love but you dont
You give your love but you wont

Seems the road less traveled
Shows happiness unraveled
And you got to take a little dirt
To keep what you love
Thats what you gotta do
